## \*FCLV U11-U19 Uniforms\*

FC Las Vegas is going to a 2-year cycle on uniforms in an effort to help keep costs down for our members. The Fall of every even numbered year FCLV will go to a new uniform style that all players will need to purchase and use for the next two years. New uniforms kits were purchased for the 2008-2009 season. This means for the 2009-2010 season only new players will need to buy the New Players Kit (red game jersey, white game jersey, sack pack and sweatshirt). Total cost for these items is \$105.00 and is added to your fees at time of registration. You will see below that certain items are included every year in player registration fees. We include these every year because these are items that get worn out from year to year. Returning players wishing to order specific additional or replacement items can do so (see below for details).
